Trump will make state visit in June

PRESIDENT Donald Trump will make a state visit to the UK in June, Buckingham Palace has confirmed.

The Yank leader and his wife Melania will be guests of the Queen during a three-day visit, which begins on June 3.

The long-awaited state visit comes more than two years after Theresa May offered the invitation to Trump just days into his presidency, when they met for the first time at the White House in January 2017.

Mrs May was widely criticised for bestowing such an honour on a controversial figure and campaigners have already promised more demonstrations.

Shadow foreign secretary Emily Thornberry yesterday said: "It beggars belief that on the same day Donald Trump is threatening to veto a United Nations resolution against the use of rape as a weapon of war, Theresa May is pressing ahead with her plans to honour him with a state visit."

Dead humpback found on beach

A YOUNG humpback whale has been found washed up dead on a beach in East Lothian.

The 30ft-long marine mammal was found yesterday morning at John Muir Country Park, near Tynningham.

It had been entangled in rope and is believed to have died shortly before it was found.

Markings on the whale's tail show it is the same one spotted in the Firth of Forth a few weeks ago.

STRIP SHOW: Rachel went naked during radio interview

BORIS'S NAKED SIS IN BID FOR EUROPE

BORIS Johnson's sister Rachel - who once famously stripped naked during a radio interview on Brexit - is to stand as a European election candidate for Change UK, the pro-remain party set up by The Independent Group.

Ms Johnson, who will stand in the South West region, appeared at an event to launch the party's election campaign in Bristol.

She was joined on stage by the party's MPs and other candidates including former *BBC Newsnight* presenter Gavin Esler.

Heidi Allen, interim leader, said 3,700 people had offered to stand for Change UK - The Independent Group in the European elections.

She described the candidates as from "every corner of the UK" and from "all walks of life".

"We are here to say we stand ready," she said.

"These elections are a chance to send the clearest possible message - we demand a People's Vote and the right to campaign to remain in the European Union."

"We are not afraid to say it as clearly as that."

She added: "This is no rebel alliance - this is the home of the remain alliance."

Mr Esler, who has more than 40 years' experience in television and radio journalism, will stand in London.

Trainspotting star murder: man arrested

A MAN has been arrested in connection with the death of *T2 Trainspotting* actor Bradley Welsh.

The 48-year-old (above) was shot as he walked down the stairs to his Edinburgh flat on Wednesday.

Police Scotland said yesterday a man has been arrested in connection with his death but has been released, pending further inquiries.

Mr Welsh's partner and young daughter were at home in the Chester Street flat when he was targeted.

As well as appearing on film he was involved in charity projects in Edinburgh, including helping young people to stay away from a life of crime through his Holyrood Boxing Gym.

'Lost' Marley tapes go under the hammer

A CACHE of Bob Marley recordings discovered during the clearance of a hotel basement are set to go under the hammer.

The live recordings, including hits such as *No Woman No Cry*, *Is This Love* and *Exodus*, sat in storage for around 40 years, after Bob Marley and the Wailers stayed in the hotel in the 1970s.

The restored reel-to-reel analogue tapes, found with severe water damage in 2017 in cardboard box files, had "gunk oozing from almost every inch" when they were found at the hotel in Little Venice, west London.

The tapes will go under the hammer at Omega Auctions in Liverpool on May 21 and are expected to fetch £50,000 per lot.

BLITZ IN A BACKPACK

Bomber strides towards church to unleash hell

CHILLING CCTV footage has emerged showing one of the Sri Lankan Easter Sunday suicide bombers seconds before launching his devastating attack.

The terrorist can be seen walking to St Sebastian's Church in Negombo while wearing a large backpack containing a "crude device made locally" that was used to massacre worshippers.

State minister of defence Ruwan Wijewardene yesterday said preliminary investigations suggested the co-ordinated blasts, which

By ROY DURRIDGE

ISIS have said they carried out, were "in retaliation for the attack on Muslims in Christchurch".

White supremacist Brenton Tarrant allegedly slaughtered 50 people at two mosques in the New Zealand city on March 15 while live-streaming the shooting on Facebook.

Links

Wijewardene blamed two different local Islamist groups for the co-ordinated suicide bombings which killed at least 321 people, 45 of them children, on Sunday, but Prime Minister

Ranil Wickremesinghe said there may be "some links" with ISIS.

The National Thowheed Jamaath, who were the subject of an intelligence warning 10 days before the devastating blasts, have been named as responsible, raising questions about why more precautions were not taken.

Images being circulated by ISIS fanatics reportedly show the suspected leader of the organisation, Moulvi Zahran Hashim, pledging allegiance to the so-called Islamic State.

Wijewardene also named another local group, Jamaat-ul-Mujahideen India. Little is known about JMI, other than reports it was established last

year and is affiliated to a similarly named group in Bangladesh.

The news comes as it was claimed two sons of a wealthy spice trader played a key role in the Easter Sunday bomb attacks, blowing themselves up as guests queued for their breakfast at the Shangri-La and Cinnamon Grand hotels in the capital.

Former Labour MP Lord Keith Bradley, brother of a British doctor who was killed during the bombings, has paid tribute to the "kind, loyal woman that lived for adventure".

Dr Sally Bradley and her husband Billy Harrop, 56, both died during the attack which targeted churches and hotels.

KIM AND PUTIN IN NUCLEAR TALKS

TALKS: Kim

RUSSIA'S President Vladimir Putin will meet North Korean leader Kim Jong-un in Russia's Far East on tomorrow.

Kremlin adviser Yuri Ushakov said the anticipated talks between Mr Putin and Mr Kim would be held in Vladivostok on the Pacific Ocean and would focus on North Korea's nuclear programme.

Local media have reported preparations and strict security measures undertaken in Vladivostok where the

Korean leader is expected to arrive by train.

Mr Kim had two summits with US President Donald Trump, but the latest one in Vietnam in February collapsed because North Korea wanted more sanctions relief than the US was willing to give for the amount of nuclear disarmament.

In Vladivostok, the waters around Russky Island, the likely summit venue, will be closed for all maritime traffic between this morning and Friday morning.

Demure

In it she was wearing a demure blue top that kept everything covered up – but that didn't stop *Mattymoo1771* telling her he wanted to rim her!

The brunette babe was shocked to the core when she read his message saying: "Can I lick your bum?"

The act is described by posh women's mag *Cosmopolitan* as: "Rimming or anilingus,

involves penetrating with the tongue, licking, sucking, kissing, or otherwise orally stimulating your sex partner's anus."

A friend of Georgia said: "There was no way she could have predicted this response."

"It was obviously very unsettling for her."

"No-one ever wants to know that there's some stranger out there who is thinking of sticking his tongue up your balloon knot."

ED'S PUB SIGN BLOW

POP star Ed Sheeran has been ordered to remove a huge pub sign dedicated to his new wife in the grounds of his £1.5m mansion, along with a sauna beside his 'wildlife pond'.

Planning officers in Suffolk told Ed, 28, to take down the unauthorised signage from his drinking den, which he named The Lancaster Lock after his wife, Cherry Lancaster Seaborn.

Sheeran, who married his childhood sweetheart last year, has also removed a sauna from beside the pond after the council said it needed permission.

She said she was "absolutely delighted" to join the other *Dragons*, adding: "I've always been passionate about investing time in and sharing my expertise with other entrepreneurs and hopefully I'll be able to help some of the contestants to really take their businesses to the next level."

"I've been a fan of the show since it started and I was even invited to pitch on it 13 years ago – so it feels like I've come full circle."

'PTSD' coke dealer jailed

A JUDGE has warned troubled ex-soldiers not to use shell-shock as a "get out of jail free card" after he locked up a cocaine dealing Afghanistan war veteran caught drug-driving at 140mph.

James Gosling, 27, was eight times the drug driving limit after police caught him racing his Mercedes on the M6 near Lancaster.

His vehicle was searched and found to have two ounces of cocaine worth £4,000 and around £5,000 in cash.

At Preston Crown Court, Gosling, from Liverpool, who was based at Catterick Garrison, North Yorks, claimed he had post traumatic stress disorder.

But Judge Simon Newell jailed him for three and a half years to avoid giving the "green light" to other victims of PTSD.

TATT'S A LOT OF INK, BECKY!

Glamour babe covers whole body in tattoos

news@sundaysport.co.uk

MODEL Becky Holt has turned her body into a work of art – by covering it in sexy tattoos.

The 28-year-old, from Chester, even has lyrics from her favourite David Bowie song inked across her forehead.

And her 32DD boobs are 100 per cent coloured-in, too.

Speaking about her tats, Becky said: "I honestly couldn't tell you how many I have – there's too many to count."

Intense

And speaking about the lyrics from Bowie's 1977 song *Heroes* on her head she added: "I wanted to have it done two years ago, but I was held back by my partner at the time who wasn't a fan of the getting-a-forehead-tattoo-thing – especially one that is so intense."

"It didn't hurt."

"I think that's because your head is built for force."

The face tattoo means dishy Becky is now 75 per cent covered in ink.

And she knows that causes many people to stare.

She added: "With the forehead tattoo, people are going to say something about it. It's not normal, and at the end of the day, people obviously prefer normal."

BOAT OF ORDER!

PC brigade to make ships gender neutral

A TOP maritime museum is to make ships and boats GENDER NEUTRAL.

Sailing vessels have been referred to as 'she' and given feminine names for centuries.

But officials at the Scottish Maritime Museum are introducing a "gender neutral interpretation" of ships.

Director David Mann said the museum, in Irvine, North

Ayrshire, has been forced into the move by right-on vandals.

The words 'she' and 'her' on a sign explaining the history of one of the museums vessels were scratched out by an offended snowflake last week.

Mr Mann said it is the second time this year they have targeted the "very expensive" signs.

He said they are now looking to phase in the use of new gender

neutral signs adding that they "recognise the changes in society".

Mr Mann said: "The Scottish Maritime Museum is a charity, which works hard to preserve our country's maritime heritage for everyone to enjoy."

"For the second time this year, the museum has been targeted by a vandal, who has destroyed one of the interpretation signs which follow the centuries old maritime

tradition of referring to vessels as female.

"Like other maritime museums and institutions, we recognise the changes in society and are committed to introducing gender neutral interpretation."

"As a small charity, however, we are doing this in a phased way so that we are not taking our limited funds from important preservation activity."

Euro Cup hero Billy dies at 79

FORMER Celtic captain Billy McNeill – the first British footballer to lift the European Cup – has died, aged 79.

McNeill (*above*) led Celtic when they beat Inter Milan 2-1 in 1967 and captained the club to nine successive titles, seven Scottish Cups and six League Cups.

In two spells as Celtic boss, he won four titles and four cups.

He also managed Clyde, Aberdeen, Manchester City and Aston Villa.

McNeill had been suffering from dementia since 2010.

A statement from the McNeill family yesterday said he "fought bravely to the end, showing the strength and fortitude he always has done throughout his life".

It added: "We would also like to note our love and appreciation to our mother, Liz, for the care, devotion and love she gave to our father throughout his illness. No-one could have done any more."

"Please tell his stories, sing his songs and help us celebrate his life."

DANI'S DIRE THREAT

Reality babe threatens to 'lose her shit' with Twitter followers

By REX ROWLANDS
res@sundaysport.co.uk

LOVE Island star Dani Dyer has denied cheating on ex Jack Fincham.

In a furious message, now deleted, Dani, 23, told a follower she was "gonna lose my shit" after snaps emerged of her kissing new fella Sammy Kimmence.

The pictures came to light just weeks after the on-off relationship between Dani and Jack finally fell apart for good.

Some fans suspected Dani was texting Sammy while she was with her fellow *Love Island* winner Jack, 26.

Another photo of the pair was posted by Sammy on his own Instagram with the caption: "Me and my Dan," followed by a love heart emoji.

Passionate

One of her followers queried on Twitter: "Everyone was like, Jack is going to move on the quickest but Dani is saying she loves him after two weeks of splitting with Jack."

"I say she was texting him while with Jack and he found out hence why they split."

In a now deleted tweet, Dani raged back: "I'm gonna lose my shit. I don't text people when I'm with someone. Bore off you no nothing."

HAPPIER TIMES:
Dani and Jack

The row comes after her rekindled relationship with stockbroker Sammy emerged.

They were seen sharing a passionate kiss while out with friends in London.

An eyewitness said: "Dani and Sammy were drinking and having a great time, and made no secret of being back together."

"Dani couldn't keep her hands off him and the feeling was clearly totally mutual."

CAGE EX'S 4-DAY BILL

NICOLAS Cage's ex Erika Koike is demanding spousal support, despite only being married to him for four days.

The *Con Air* actor, 54, sought an annulment after the pair tied the knot in a boozy ceremony in Las Vegas last month.

Erika, 34, who works as a make-up artist, filed legal documents following his request to end their

short lived marriage and claimed she'd lost out on career opportunities.

She also expects Cage to cover her legal fees.

Cage and Erika had dated for a year before they tied the knot.

Reports at the time claimed Cage – who's already been married three times – may have appeared to be "most likely drunk".

KATIE PRICE LOSES CONTROL ON CAMERA

‘I’ve wet myself ...I’m p*ssing!’

KATIE Price became Katie PISS when she WET her knickers on TV.

The mishap happened as she tried out a modern get-fit-quick technique for her *Quest Red* reality show *My Crazy Life*. The mother-of-five was filmed trying out a full-body electro workout with her best friend Dionne Dunne. It involved using electrical currents to stimulate muscles to contract and get into shape.

By COLIN HURST
news@sundaysport.co.uk

Once plugged in, Katie, 40, and Dionne struggled to get used to the sensation, with both of them screaming.

Fanny

Katie yelped: “I can really feel it contracting. No, I mean everywhere!”

“That hurts my fanny. It’s in my bits.”

Then, clutching herself

between her legs, she screamed: “I’ve wet myself. I’m pissing. I’m pissing.”

The camera showed a distinctive wet patch on the floor, as the trainer explained he’d never had that happen before.

Katie said: “I’m very wet in the moment, normally. I’m not a gusher, but this is making me gush.”

Afterwards, she added: “Yes, I did wet myself, big deal. “I’ve had five kids and it happens.”

Tory MP avoids jail after photo expenses claim

A CONSERVATIVE MP who admitted making bogus Parliamentary expense claims after he spent £700 on a set of photos has avoided jail.

Christopher Davies, 51 (above), handed in false invoices to recoup the cash he'd spent on landscape images of his constituency office in South Wales.

The Brecon and Radnorshire MP was sentenced to 50 hours of unpaid work after admitting providing false or misleading information for allowance claims and one charge of attempting to do so.

Southwark Crown Court heard the two charges dated back to 2016, when Davies was setting up his office after the 2015 general election.

He bought nine pics then tried to claim the money back when he found his budget for office furniture could not cover the cost.

In addition to the unpaid work, Davies was fined £1,500.

Brit's

IT'S the news we were all dreading.

We knew one day this would happen – but that doesn't make it any easier to come to terms with.

or one of her famous tantrums. And no, she's not got married again to a passing stranger.

This time she means it, and we're pretty gutted.

Down the years the ex-Disney pertlet, who grew into one of the world's hottest pop stars, has been

getting us in a lather with her on-stage – and off-stage – antics.

So as you try to come to terms with the news, here's a reminder of just how generous Britney has been when it comes to flashing her bits.

GoT's Maisie Williams on why she kept her nipple hiddenBy JUSTIN DUNN
news@sundaysport.co.uk**GAME of Thrones beauty Maisie Williams has talked about her fears of getting naked on telly.**

The 22-year-old actress – who's been in the hit Sky series since she was 11 – said she was alerted to her first on-screen nudity by pal and co-star Sophie Turner.

The pair had been sent their Season 8 scripts at the same time, but the Sansa Stark actress read her copy first.

When Turner reached the moment in the second episode where Arya Stark has sex for the first time, she rang her friend up.

She said: "I called Maisie and was like: 'Have you read it yet?' And she's like, 'I'm midway through episode one.' And I'm like: 'This scene, this page, read it! This is awesome!' She was very happy."

By the time the scene was being read aloud at rehearsal, Williams said she had accepted that Arya was going to sleep with Gendry on the eve of the great

Williams said show bosses let her decide just how much to show, adding: "They were like: 'You can show as much or as little as you want.'"

"So I kept myself pretty private. I don't think it's important for Arya to flash."

"This beat isn't about that. And everybody else has already done it on the show."

Nando's worker sex claims fail

A NANDO'S worker has lost her battle for unfair sacking over mystery sex antics allegations.

Married Lauren Kelly, 39, was suspended from the restaurant chain after the sex claims.

She denied having had "inappropriate sexual behaviour" and claims the rumours of sex antics were fabricated in a bid to get her sacked from her store in Swansea, South Wales.

The tribunal heard that three members of staff had made allegations – one of which amounted to sexual harassment.

Employment judge Paul Cadney said: "There is no evidence the allegations were invented"

Stan whips out cock-shaped radish

MEATY VEG:
Stan (above)
and his radish

THAT radish looks a bit laddish!

Veg grower Stan Hudson got a right eyeful when he pulled up part of his prize crop on his allotment – and this is what he saw.

Stan, 54, has been growing veg for more than 30 years but this one took his breath away.

Because when he held it up he was shocked to see his horny radish looked more like a cock and balls!

Tug

Stan, who is a regular winner at his local allotment society annual show in Tewkesbury, Gloucs, said: "I gave it a good tug – it was a whopper I could tell."

"But then when it came out and I looked at it I couldn't believe my eyes. "That's a cock and balls", I said to Bill on the next patch."

Slapheads are top love cheats

BALD men are more likely to be love cheats than their hairier rivals, a study has found.

A poll of 1,000 Brits found that 34 per cent of baldies admitted cheating on their partner, compared to just 21 per cent of men with a full head of hair.

The study by the Harley Street Hair Clinic also found that 20 per cent of bald men said they got less sex than they did when they were hairy, but 38 per cent of slapheads considered themselves to be great lovers.

Of men with hair polled, just 29 per cent reckoned they were good in bed.

The study also found that Man Utd supporters were most likely to be bald, with 10 per cent of the men polled following the Red Devils, with Arsenal and Liverpool joint second, with seven per cent each.

"I won't be entering it in this year's show, though. I'd be banned for life if I showed that."

Sport reader Stan wasted no time in sending us a snap of his veggie genitalia.

"I knew you'd like it," he laughed. And he's right!

Stan's wife Emma added: "It seems a shame to chop it up for a salad. I might just keep in the kitchen drawer – you never know when I might need it."

"I'll find a use for it on those long evenings when Stan's out down the pub with his mates."

Stan said: "I had a turnip once a few years back that looked like my own arse, but never anything like this."

PERV SHAGGED HIS DOG NAMED BEAR 19 TIMES

...he also nicked women's undies from washing lines

A PERVERT shagged his pet golden retriever Bear 19 times, cops claim.

Dean Anthony Sellenthin, 43, is also accused of boning a different dog, indecently assaulting a person and stealing hundreds of pairs of women's underwear and swimwear.

His alleged sexual spree began in 2011 and ended with his arrest in 2017.

Abuse

Court documents allege that Sellenthin committed acts of bestiality against a number of dogs, including a golden retriever named Bear.

The documents don't explain how police know that Sellenthin engaged in acts of

By **COLIN HURST**

bestiality – or just how many dogs were involved.

But a police insider said he would take Bear on 'dates' before having sex and called their relationship 'true love'.

Sellenthin is also charged with entering a dwelling to commit an indictable offence, which was allegedly to electronically record people in private.

Charges of producing child abuse material related to a number of locations in northern New South Wales, Australia.

Sellenthin has not

entered a formal plea to the charges and the authorities adjourned the matter until June 19.

Police allege that, over a seven-year period, Sellenthin preyed on tourists, locals and dogs in the popular tourist town of Byron Bay.

Sellenthin, who lives in Bangalow, a small town in the Northern Rivers region of New South Wales, remains in custody on remand following his arrest in 2017 and was not required to appear in court.

He will appear by video link in June, when the matter could be resolved.

'Spunky flutes' suspect held on a lewd acts rap

THE founder of a non-profit group who was investigated over allegations he gave flutes tainted with semen to schoolkids has been charged with committing lewd acts.

John Zeretzke (above), 60, founded an international program called Flutes Across the World that held events in schools where thousands of students played or made flutes.

In 2017, Californian authorities began to investigate reports that some flutes distributed to schoolchildren were tainted with semen.

Parents in some districts were urged to put the flutes in paper bags and turn them in for testing.

The new indictment does not provide many details other than "lewd acts" against girls under the age of 14, however, it's said the charges "are not based upon allegations that he personally had physical contact with any child".

But prosecutors also allege Zeretzke tried to convince someone he believed was a 15-year-old girl to have sex with him.

He's bin very stupid!

EVERYONE has a rubbish day from time to time – but this fella really trashed his.

Footage filmed by onlookers went viral on Twitter of the man struggled to free his head from a street bin.

One concerned person can be heard saying: "Mate, you've got your head stuck in the bin" as he walked by.

The head-locked chump replies: "I was looking for something!"

He then flicks a V-sign at the filmer, who may have felt less inclined to help the man out of his predicament as a result.

The incident happened in Shawlands, Glasgow, on Saturday afternoon.

OAP nicked for shooting geese at home

A PENSIONER has been arrested for shooting at GEESE outside his home.

Furman Price (above), 84 told police he was fed up with the birds going on to his property and crapping on his lawn.

A witness had said she heard several gunshots and saw Price shooting at geese in a public car park across from his home.

Officers said a goose was found dead from an apparent gunshot wound to the chest.

Price told them he wanted to "get rid of them or scare them off," and admitted to shooting at the geese while sitting in his living room chair in North Myrtle Beach, South Carolina.

Police say they searched the residence and found a .22 calibre rifle in the kitchen.

Price was charged with discharging a firearm within the city and two charges filed under the Migratory Bird Treaty Act.

He was released on £800 bail and is awaiting a trial date.

EPHEBIPHOBIA is the fear of young people

Top cop blames mice for missing marijuana haul

EIGHT cops have been dismissed for blaming missing drugs on MICE.

Investigators found half a ton of marijuana was missing from a police warehouse in Pilar, Argentina.

The city's former police commissioner, Javier Specia, and fellow officers told a judge the drugs had been "eaten by mice".

But a spokesperson for Judge Adrián González Charvay said that according to forensic experts at Buenos Aires University, "mice wouldn't mistake the drug for food" – and even if they did, "a lot of corpses would have been found in the warehouse".

Suspicion fell on Mr Specia after authorities discovered he did not sign the inventory for the impounded drugs when he left his post in April 2017.

HOLLYWOOD STAR SCHOOL TEACHER HAD SEX WITH TEEN PUPIL

Pair romped at luxury hotel

JAILED: Palmitessa and (below left) film star Arnie

Bum's the word for cheeky girl Em!

EMILY Ratajkowski found fame shaking her bare boobs while dancing in the video to global pop hit *Blurred Lines*.

But as this snap of the 27-year-old model and actress shows she's got a cracking arse, too!

The brunette babe posted the saucy snap on Instagram and it was quickly – and warmly – received by her army of 22 million followers.

One fan said: "I'd give my right bollock for a sniff of that crack!"

A TEACHER at an elite private school that has connections to Hollywood star Arnold Schwarzenegger has been jailed for three years for having unlawful sex with a student.

Aimee Palmitessa, 47, entered a no contest plea to three counts of unlawful sexual intercourse and will now serve her prison term in Los Angeles, California.

Palmitessa worked at the city's prestigious Brentwood School for about nine years and the 17-year-old victim was once a student in one of her classes.

Over the summer of 2017, Palmitessa had sex with the teenage boy, prosecutors said.

The victim told his family soon after their romps and Palmitessa was arrested.

Sued

Last August, it was announced that the school was being sued for failing to protect the male student from sexual encounters with the teacher.

Brentwood School – much loved by the Hollywood A-list – is accused of looking the other way and in at least one instance encouraging a student referred to as John Doe to pursue a relationship with his teacher.

Palmitessa taught

By **GRACE HOOPER**

chemistry at the school, which has celebrity alumni including Adam Levine and Seth Rogan.

Its pupils included the children of Arnold Schwarzenegger.

School employees are said to have known about Palmitessa's abuse of power, but rather than report it as required by law they instead told her to "stay away" from the teen.

The suit claims the school failed to properly supervise Palmitessa and seeks damages for sexual battery, fraud and negligence.

The school previously said in a statement: "We sympathise with the student and family for the pain this situation has caused them."

PUBLIC W*NKER GETS BUSES BAN

A SEX offender has received the first lifetime ban in the history of a city's public transport system for a series of sick sex attacks.

Jared Walter, 32, will be arrested if he's spotted on public transport in Portland, Oregon, following a raft of offences that includes cutting, gluing and masturbating into women's hair.

Walter was arrested last month in connection with 16 allegations including harassment, sexual abuse and interfering with public transportation.

He's currently in jail after CCTV showed him pacing up and down a light rail train before sitting behind a woman, touching her upper thigh and putting his hand in her pocket.

In May 2013, Walter (right) pleaded guilty to putting his bodily fluids on women riding buses.

He had been released from prison several weeks before that attack for cutting or gluing the hair of female bus passengers in 2009.

A spokesman for transport firm TriMet said: "We cannot allow Walter to continue to ride based on his recent actions."

OUR SERIES ON UK MASS MURDERERS CONTINUES WITH

As detectives

KILLING DAYS ARE OVER:
Erskine is led into court in January 1988

THE name Kenneth Erskine is not well known. He's no Fred West or Harold Shipman.

The English serial killer is better known by his grim nickname... The Stockwell Strangler.

Erskine's childhood had been troubled. Born on 1 July 1963 in Hammersmith, west London, he was abandoned by his parents and spent his youth in a variety of care homes and special schools.

He was a loner and a drifter – and by the age of 16 he was already known to the police.

Yet it was over a four-month period in 1986 that burglary boiled over into a spree of sexual molestation and killing that shocked Britain.

Four of his seven victims had been sexually assaulted and anally raped – although police were unable to tell whether it had happened before or after they died.

Erskine was 24 – but with a mental age of 11 – and, as the Court of Appeal would later highlight, he was suffering from severe schizophrenia.

His first victim was 78-year-old Eileen Emms, a retired schoolteacher found dead

By **JAYNE FERGUSON**
news@sundaysport.co.uk

in her Wandsworth, south London, home in early April.

Erskine, who is now 55, had tucked her up so neatly in her bed that, at first, her family believed she had passed away quietly in her sleep.

It was only when she was about to be cremated they noticed her TV had been stolen and called the police.

In June, Erskine went on to kill Janet Cockett, 67, before strangling Valentine Gleim, 84, and Zbigniew Strabawa, 94.

Throttled

The Polish World War II veterans were throttled on the same day at a house in Stockwell Park Road, London.

By this time, newspapers had already dubbed the perpetrator the Stockwell Strangler.

And before the month was out, another pensioner would have a brush with him.

On June 27, Frederick Prentice, 73, from Clapham, awoke to find an intruder in his bedroom.

The man jumped onto Mr Prentice's bed

and began to strangle him – yet the pensioner managed to press the alarm by his bed and the attacker fled.

However, three more killings were carried out by Erskine before the spree came to an end.

William Carmen, 84, was found dead in his Islington home with all the pictures turned to face the wall.

Then William Downes, 74, from Stockwell, and Fulham resident Florence Tisdall, 83, were killed within two days of each other.

But the net was closing.

Police soon realised the killings were carried out by the same person.

Pathologists found that in each case the killer had knelt on his victims' chests, placed his left hand over their mouth and used his right to strangle them.

Erskine's criminal record inspired detectives to investigate his whereabouts on each day the killer had struck.

They were right to be suspicious and they arrested him as he collected a social security payment.

His palm print was identical to that left at one crime scene.

Detectives also found one of Erskine's hairs in the house of his first victim Eileen

Emms and his shoeprints at three of the scenes.

When survivor Frederick Prentice picked him out in an identity parade, he was charged with seven murders and one attempted murder.

Blaming a voice in his head, Erskine told detectives: "I don't remember killing anyone, I could have done it without knowing it."

During the months of the murders he had paid in £3,000 – stolen from victims – which he tried to launder with 10 bank accounts.

Pathetic

Among four other deaths Erskine was linked with were the strangling of both Wilf Parkes, 81, and Trevor Thomas, 75, both in south London.

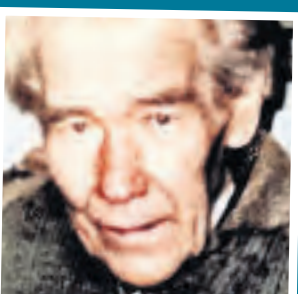

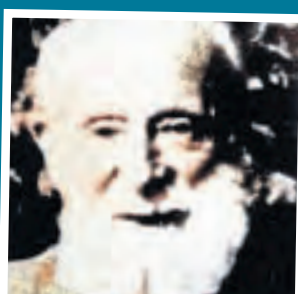

The latter was found lying in his bath, with the water destroying any forensic material.

Both charges were dropped through lack of evidence.

A senior detective said at the time: "There is simply no way of knowing how many defenceless old folk he killed."

His trial began at London's Old Bailey court on January 12, 1988, where he was

charged with the seven murders and the attempted murder of Mr Prentice.

Erskine pleaded not guilty to all charges and appeared a pathetic and disturbed figure when he appeared in court.

It was as though he didn't seem to be aware of what was going on and he had to be chided for falling asleep and snoring at least once during the trial.

At another point, he caused uproar by appearing to be masturbating during

proceedings. It was not the first time. During police interviews he was seen to be masturbating throughout.

The jury heard the horrific stories of how each victim had been brutally murdered and then sexually assaulted.

They also learned the idiosyncrasies that were apparent throughout each of the crime scenes and that had become the killer's calling card – such as the photographs at the scenes that had

been turned face down or facing away.

Erskine's background and record of schooling and offending were revealed at the trial, which gave the jury an insight into what a deranged mind the defendant had.

He was found guilty of all seven murders and ordered to serve at least 40 years in prison, which at the time was the longest minimum sentence ever imposed by a British court.

In 2009, those murder convictions were reduced to manslaughter due to diminished responsibility.

And that means, if only theoretically, that doctors could one day recommend The Stockwell Strangler be freed to walk the streets once more.

Teen nicked for £3k fake gator wrestle

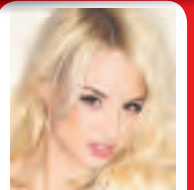

A TEEN was nicked after being filmed wrestling with a fake alligator in a shopping centre.

Gianny Sosa-Hernandez was charged with criminal mischief after damaging the display reptile at The Falls Shopping Centre in Miami-Dade Co, Florida.

In the recording, Sosa-Hernandez, 18, is seen removing his sweatshirt and jumping over a barrier before throwing the alligator off a rock and into the display's pond.

Police said the display model, worth £3,000, was damaged in the March 30 incident.

Sosa-Hernandez later apologised.

Ugandan president wants to ban ORAL SEX

BLOWJOB BLOW: Museveni (above) says 'mouth is for eating'

THE president of Uganda wants to ban the nation's citizens from practising ORAL SEX because he says "the mouth is for eating".

President Yoweri Museveni blamed "outsiders" for trying to convince Ugandans to perform oral sex on one another – and said he was issuing a public warning about it.

He told reporters: "Let me take this opportunity to warn our people publicly about the wrong practices indulged in and promoted by some of the outsiders."

"One of them is what they call oral sex."

"The mouth is for eating, not for sex."

Gay

"We know the address of sex, we know where sex is."

Museveni signed the Anti-Homosexuality Act in 2014, making it illegal to be gay in Uganda.

Citizens risk life imprisonment if they are found to be having regular gay sex. The act

By **GRACE HOOPER**

news@sundaysport.co.uk

also made it a criminal offence not to report someone for being gay.

In 2014, Museveni said oral sex could cause worms.

"You push the mouth there, you can come back with worms and they enter your stomach because that is a wrong address," he said.

In January, Museveni said he regretted his decision to halt the country's practice of executing criminals.

Cop in fake teen sex sting

A POLICE officer has been charged with trying to lure a 15-year-old girl to meet for sex.

Peter Tuchol, 28, is charged with attempted sexual assault, attempted endangering the welfare of a child, and three drug charges related to the possession of anabolic steroids.

Members of the New Jersey Cyber Crimes Unit and Task Force had online conversations with Tuchol, who believed he was talking to a 15-year-old.

They went to Tuchol's home with a warrant on Monday after Tuchol arranged a meeting with the fictional teenager.

At the home, they seized the steroids and hypodermic needles.

Tuchol is being held in the Bergen County Jail awaiting his first court appearance.

He has been suspended from the police force pending the outcome of the case, a department spokesman said.

SICKO MADE SOUP FROM HUMAN BONES

COVER-UP: Dawe being escorted into the court

A MAN charged with possessing stolen skeletal remains from a cemetery was arrested after he allegedly attempted to boil the bones to make SOUP.

Lucas Dawe, 20, made his second appearance in court, where his case was postponed for a week to allow him time to find a lawyer.

He agreed to stay in custody until then.

Licking

Dawe was escorted into court by sheriffs with his face hidden by his coat.

He had to ask officers to guide him into the courtroom because he couldn't see where he was going.

He is charged with possessing a skeleton stolen from All Saints

By COLIN HURST
news@sundaysport.co.uk

Parish in St John's, Newfoundland, Canada, on April 5.

He is also charged with interfering with human remains on the same day and with breaching a court order.

The remains are believed to have come from the Anglican parish cemetery and are suspected to have belonged to a person who died a significant time ago – possibly more than 100 years.

Dawe was arrested after an unnamed

witness allegedly saw him licking the bones and trying to make "some sort of broth" with them.

Police, in consultation with the office of the chief medical examiner, determined that the partial skeleton was "quite old" and was not connected to any current missing person cases.

Police confirmed the human remains were located after they responded to a 1am call for service in a public parkland.

Officers said they were not concerned about any danger to the public.

Drunk vids man used tramp to steal web name

A SOCIAL media "influencer" has been convicted of hiring his homeless cousin to break into a man's house and force him to give up his internet domain name at gunpoint.

Rossi Lorathio Adams II, 26, faces up to 20 years in prison for the botched attempt to steal the domain in June 2017 for his social media startup that featured videos of drunk young people doing stupid things.

Prosecutors said the defendant was a student at Iowa State University when he launched State Snaps, a firm that compiled and shared photos and videos of people "engaged in crude behaviour, drunkenness, and nudity" online.

State Snaps had gained more than one million followers by 2015, at which point Adams decided to try to buy the website domain *doitforstate.com*, based on the site's slogan.

But the domain was already registered to a Cedar Rapids resident who refused to sell it.

Cops shoot each other

TWO cops accidentally shot each other trying to arrest a burglary suspect.

Officers from Elk Grove, California, responded to reports of two suspicious people on Saturday night.

When they arrived at the scene, cops found a man and woman, who then tried to run off.

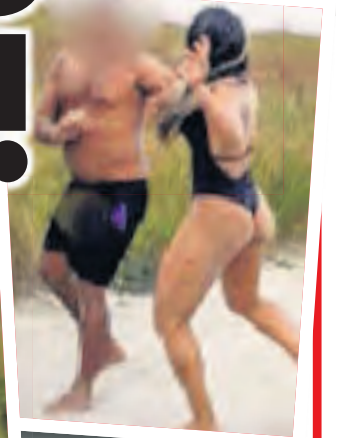

After his arrest, the man was shot by officers during a struggle, which resulted in them suffering minor gunshot wounds to their legs.

When he is released from hospital, police say the male will be booked into the Sacramento Jail on charges of being in possession of a loaded firearm and also resisting arrest.

BASHER'S BASHED: Vieira lays into alleged tosser

A FEMALE MMA fighter on an outdoor swimwear photo shoot punched a man who was allegedly masturbating nearby.

Brazilian mixed martial artist Joyce Vieira, 27, was posing on Praia do Braga beach in Rio de Janeiro when she noticed the man watching her while touching his exposed genitals.

"When I looked over, he had his shorts down and was standing on a path where people pass all the time, including children," she said.

Moaning

"He was visibly erect, making sounds and moaning."

Vieira, who was with a friend at the time, decided to approach the

shirtless man and ask him to stop.

She says he refused and replied: "Why, you don't like it? Come here."

"It was very surreal," she added.

"Generally, people who are caught doing this always deny it,

'No, no, no.' He didn't. He continued."

Photos show Vieira – a specialist in Muay Thai and Jiu-Jitsu – punching and kicking the man.

The man reportedly punched her back.

"But that made me even angrier. I wanted to kill him," Vieira said.

At that point, the man "started screaming" and fled the scene. But

Vieira filed a police report and the man was arrested for committing an obscene act.

He has since been released from police custody and denied the allegations – claiming he was urinating, not masturbating, at the time.

The case is ongoing and will be taken to Brazil's Public Ministry, police said.

MILF'S MOTEL SEX WITH BOY, 15

A MUM who had sex "multiple times" with a 15-year-old boy has avoided prison.

Lori Suggs, 43, was sentenced to four years of probation and six months of house arrest.

She broke down in tears at her sentencing as she apologised to her family and to the family of her victim.

Judge Thomas Beridon called her "a predator" and ordered her to register as a sex offender for 25 years.

Suggs engaged in sex acts with the teen lad on four different days between August and October last year.

One of those sex incidents took place in a motel, according to court documents.

She pleaded guilty last month to four

counts of unlawful sexual conduct with a minor and is currently in a sex offender treatment programme that lasts for two years.

At her sentencing Suggs read out a statement, saying: "I specifically want to apologise to everyone

that I've hurt. To the other family. To your son, to you.

"I apologise to my ageing parents, to my husband, to my children, and to everybody that has stood beside me."

Judge Beridon deemed Suggs, from

MOTEL SEX: Suggs

Silverton, Ohio, a "very low risk" for re-offending but condemned her actions, saying: "You preyed on a young child. You took advantage of them."

THE WORLD FAMOUS AGONY Page

Dear Kelly,

I've been dating my girlfriend for a few months but I fancy her best mate like mad and it's driving me nuts.

I think she feels the same way as me because when my girl's not looking she flashes her boobs and winks at me.

She's even given my dick a sly stroke through my trousers, giving me a massive and embarrassing boner.

The other day she went even further when she came round for a few drinks in the garden.

When my girlfriend was in the kitchen fetching more drinks, her pal deliberately parted her thighs and flashed me her bare, shaved mince.

But I'm too scared to do anything about it at the moment, even though I'd love to shag her brains out.

Should I give her one?

GS, Cambridge

Kelly says...

IF you don't go for it, you'll never know.

Dear Kelly,

MY boss's wife is 48 and a really fit blonde with a nice figure. A couple of weeks ago she threw a surprise party for her hubby and I was invited.

She looked great in a black dress, which showed off her recent boobjob, and as the night went on we got chatting and flirting and she made it clear she was well up for a sneaky f**k.

We arranged to meet in the bathroom and she wasted no time in getting my dick out and slurping it.

Then she whipped off her knickers and I took her from behind as she leaned over the sink.

I've seen her a few times since but now wants me to "look after" two of her mates the same way!

They're both in their 50s but not really that attractive. And she said if I don't do them, she'll get me bloody sacked.

What should I do?

PK, Lancs

Kelly says...

REFUSE - and threaten to tell her hubby about your affair.

Dear Kelly,

I'm a 28-year-old housewife and a couple of weeks ago I was seduced by an older woman.

A woman in her 40s came knocking on the door. I asked her in, wondering if she was upset with some work my builder husband had done.

But she confessed they had been having an affair for two years. I burst into tears and we fell into each other's arms for comfort.

Then she kissed me on the lips, saying she knew a great way to get even with him.

She flicked her tongue in and out of my mouth and I gave in to her as she slipped off my bra and began licking my nipples.

I moaned with delight as she massaged my clitoris before going down on me and bringing me to several shuddering climaxes.

I found it exciting to lap at her pussy, especially when she screamed out in orgasm.

She's dumped my husband, but I'm still seeing her.

HS, Birmingham

Kelly says...

MAYBE you should dump him too.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week KELLY M cGREGOR has been reading through your letters. And here's her advice for you...

I enjoyed best sex ever with expert older lover

Dear Kelly,

I'M a blonde 30-year-old hairdresser with my own salon and I've been dating a really nice fella 20 years older than me.

We met in a bar one night, when I'd gone out with some of my girlie mates.

A group of lads were bothering us and he stepped in and told them they were spoiling our evening.

It worked. The lads quickly went away and he offered to buy us a drink.

Dripping

We chatted away for the rest of the night and when he offered me a lift home I gratefully accepted.

So I asked him in for coffee and once inside I thanked him for rescuing me and my pals in the bar.

Something just came over me and I leaned over and kissed him on the lips.

After sitting in the lounge and sharing a bottle of wine, his hand slipped under my skirt, touching the soft flesh at the top of my stockings.

Then he pushed my panties aside and it must have been

obvious to him that I was turned on because I was dripping wet.

As he explored my pussy I felt I would explode – his expert touch was delicious as he probed inside me and we both took it in turns to lick my love juices off his fingers.

Then I unzipped him and started to stroke his hard-on, which was pretty impressive for a 50-year-old.

He moaned with pleasure as I lowered my head and took him tenderly between my lips and sucked him slowly.

Within a couple of minutes I could feel the pressure building up in his balls, so I said we should go upstairs.

We undressed and he licked my nipples and played with my massive breasts.

I then pushed him back on the bed, straddled him and slowly lowered myself on to his rock-hard cock.

I f**ked him slowly at first and then

increased the speed until we both came together.

After a short rest I massaged him back to hardness and this time he took control, pounding me hard from behind until we both exploded again.

It was the best sex I'd ever had and afterwards we lay there for hours, cuddling and chatting.

I've been with him for six months now and I adore him very much.

But the problem is I want us to go out partying together – with all my other pals – but he says he likes to stay in and watch TV.

How can I tell him he's getting boring without hurting him?

JE, Leeds

Kelly says...

HIS raving days are behind him. So I'm afraid you may have to move on.

I scored a cracker on Dublin stag weekend

Dear Kelly,

I'M a 17-year-old apprentice with an engineering firm and after getting in the works' footie team I was the top scorer.

As a result, the captain invited me on his stag weekend in Dublin. There were 20 of us and we all pulled a bird on the first night.

My girl was 24 and after we'd been at the Guinness we staggered back to our hotel, where I smuggled her up to my room.

She stripped off to reveal a lovely body and I groped and sucked her tits, which were an F-cup.

Then she took my rock-hard cock down her throat and gave me the best blowjob I'd ever had.

Screamed

When she spread her legs to show me her wet lips, I was down there like a rat down a hole and gave her a good licking.

Finally, I turned her over and whacked it into her doggy-style.

After half-an-hour we both screamed as we came and collapsed in exhaustion.

But since I got back to England I've been getting lots of texts from her saying she wants to come over and move in with me.

But I live with my mum. What should I do?

HW, Essex

Kelly says...

TELL her it's not going to happen. You don't owe this girl anything – she enjoyed herself as much as you.

Dear Kelly,

I RECENTLY moved to a new house and my neighbour, a tasty divorcee in her late 30s, soon introduced herself.

She invited me to a quiz night at the local boozer and said she was meeting up with two mates.

I thought I'd have a good chance of pulling her, so I said yes.

When I got there, her mates were already at the bar getting stuck into some cocktails.

They were also late 30s, blonde and sexy.

It soon became clear that they were not the slightest bit interested in the quiz – they wanted me.

I invited them back to my place and they all stripped off and took turns to suck me off.

I shagged all three before they got down to some lebo fun.

It was great to watch them sucking each other's tits and clits.

To finish, my neighbour stuck a dildo up my arse while I took one of her mates from behind as she licked her pal out.

We don't go to the quiz nights now, they just come to my place and we f**k.

I'm so glad I moved and several of my mates are now looking for houses round here.

ANNIE BULLAH

By **SIMON DEAN**

news@sundaysport.co.uk

MIDWEEK Sport's postie is the hardest-working man in Manchester.

Because he's the poor bloke who has to bring all the fanmail to our penthouse offices when the lift's kaput. That's no mean feat!

And a great deal of that mail was at one time addressed to gorgeous Annie Bullah.

The 32F beauty from Walthamstow, east London, always got a massive sackload whenever she appeared and along with the usual requests for autographs or letters asking to lick her bumhole, Annie got at least three marriage proposals a week.

Trim

And little wonder, because Annie never held back when she told her sex secrets in *Midweek Sport*.

Annie once revealed she keeps in trim with SEX and claims she lost half a STONE in weight during a marathon dirty weekend with her lucky fella!

She explained: "I've never had so much sex.

"We must have done it ten or twelve times on both days.

"By the end of our session I was just running on empty. "We barely got out of bed so we didn't really have a chance to eat anything.

"When I jumped on the scales on Monday morning I swear I'd lost six pounds, which is almost half a stone!"

'There were people sat just inches away as we had sex in the dark cinema...'

HAVING red-hot sex in public drives me wild!

I've done it on the beach, in the back of cars down country lanes, at a bus stop and even once on a train...

And not in the toilet in the carriage!

It's such a thrill knowing that you might get caught at any moment.

I've had near misses – once I was shagging in a bloke's car in a layby and a group of 50 ramblers appeared out of nowhere!

The craziest place I've got jiggy with it was on the back seat at the cinema.

It was dark and there were people just inches in front of us who had no idea what we were up to just behind them.

I loved my clit being stroked by my fella and having to have an orgasm as quietly as possible.

I can't believe I got away with giving him a cheeky blowjob among the cinema goers, too!

I've no idea what film was on, but what we got up to then needed an X-rated certificate!

SANDRA SHINE

SURVERYOR Cody Nelson reckons Sandra Shine's lovely sweater-stretchers would very likely take him all day to work on.

Cody, 43, from Hull, spends his days measuring locations but he'd love to get his hands on 29-year-old Sandra's 34D rack.

Sandra moved to Carlisle from her native Hungary and ever since she appeared topless, Cody has been in awe.

He said: "Sandra is exactly, that and her breasts are heavenly. If there's one thing I wouldn't mind surveying are her massive breastsicles."

KEEGAN

CABBIE Tony Parker did things the old fashioned way and put pen to paper to request this snap of 34E East Anglian stunna Keegan.

Tony reckons that Ipswich babe, 26, is overlooked as one of the UK's fittest boobs-out models.

The 49-year-old, from Brighton, said: "Keegan has that devilish look in her eye that makes me think she'd run rings around me in the bedroom."

"She's a gorgeous girl and has a cracking pair!"

ELLA MAI

PLUMBER Daryl Garbrandt only has eyes for glamour girl Ella-Mai and emailed us asking for a saucy snap.

Dark-haired stunna Ella-Mai, 27, from Bedford, is 38-year-old Daryl's ideal girl thanks to her long raven black locks.

His job sees him fix loads of leaky pipes in his home town of Ipswich, Suffolk, but it's his own pipe which he reckons 32DD babe Ella-Mai could help him with.

Daryl said: "I reckon a night with Ella-Mai could definitely unblock my pipes – she's a beauty."

UNITED 7-4 TO KO CITY TITLE BID

MANCHESTER United are unbeaten in their last 14 home league games, but the dilemma for Reds fans at Old Trafford tonight is that if Ole Gunnar Solskjaer's side get anything out of the 160th league Derby that will give bitter rivals Liverpool a big advantage in the race for the Premier League title.

Liverpool should also thank their neighbours Everton who gave United such a beating at Goodison on Sunday. That abject display will ensure United's pride is hurt and many who take the field this evening are playing for their Old Trafford future. Whether United are good enough to stop their neighbours is another thing, but one thing is certain – United will not play as badly or as devoid of passion or energy as they did at Goodison.

City will have to do without Kevin de Bruyne and that might be crucial. The last two league games between the sides at Old Trafford have finished 2-1 to City and it is 15/2 at BetVictor that Pep Guardiola gains a hat-trick of wins by that narrow scoreline.

City are 9/20 to win in 90 minutes and that is too short even allowing for the fact United have only won six points in their games against the "big six" so far this term – unsurprisingly fewer than any other. United are 6/1 with BetVictor to keep the points at BetVictor with the draw at 4/1 and the hosts are 7/4 in the double chance market – to either win or take a point.

Blank

City were not at their brilliant best when beating Spurs at the Etihad on Saturday although they do have an extra 24 hours to get over those exertions. That said a number of United players hardly broke sweat in the Goodison sun on Sunday!

City remain 4/6 favs to retain their title with Liverpool 11/10. I feel if Liverpool win at St James' Park in their penultimate game of the season they will win the title as I feel City will drop points either at Old Trafford tonight or Turf Moor on Sunday. Burnley again showed at Chelsea on Monday that they will roll over for no one.

In tonight's other fixture Wolves are looking for their first win in the Premier League against Arsenal – D2 L7. The Gunners lost at home to Palace on Sunday but will leapfrog Chelsea in the race for a Champions League spot with a win. Wolves drew a blank at home to Brighton but they hit the woodwork twice and, on another day – for all Brighton's gritty defence – they would have comfortably taken all three points.

This is a fascinating game to call. Wolves are 9/4 with BetVictor to top the league without the "big six" and it is well documented that they have a better record against the "big six" than they do the bottom six this season!

Wolves are 2/1 to keep the points at BetVictor with the Gunners 31/20 and the draw at 19/10. Unai Emery – like his United counterpart – will expect a positive reaction to their Sunday defeat. Both teams to score is 8/13 at BetVictor and that is the recommendation in what promises to be another cracking game.

CHAMPS LOSE BELGIAN ACE FOR CRUCIAL RUN-IN

KEVIN De Bruyne is OUT of Manchester City's title charge.

The Belgian playmaker has missed much of the season with a series of problems.

Now the latest has struck with a hamstring injury picked up in Saturday's win against Tottenham.

He was immediately ruled out of the Manchester derby but the whole season has gone after scans revealed a small tear.

There's an outside chance that he'll be back for the FA Cup final against Watford but he won't figure again in league action.

It looks as though City will have to win all four games to

By **PAUL THOMAS**

pip Liverpool and retain their Premier League crown.

After the derby, they have a trip to Burnley on Sunday before their final home game of the campaign against Leicester and former Reds boss Brendan Rodgers.

It could then go to the final day of the season where City head to Brighton who may need something from the game to beat relegation.

Boss Pep Guardiola knows how important it is for City to keep winning, especially at Old Trafford.

He said: "We have to win four games to retain our title."

"It is not an easy place to

go but it is a nice place to go. We know exactly what we have to do.

"It is a derby and all the times we play against United they are special games and players do their best."

City have a good recent record on the other side of town and Guardiola says his team has no fear of Old Trafford any more.

Equal

He added: "The reason why is the fact this club in the last decade grew a lot and it is not scary to go there."

"Before it was maybe more difficult. The players Manchester City had in the last decade made this game a lit-

tle bit more equal. I expect the best United to be on the pitch, I am sure."

Guardiola is braced for a backlash from the United players who have copped plenty of stick this week.

He added: "They are bright. Football players try to do their best and the derby is going to happen. We prepare for their strong points and weak points."

"It is a derby and all the times we play against United, the derbies are always special games and the players do their best for the fans the club."

"I saw the game, I imagine what will happen against us. The game against Everton is over."

DEMOLITION DERBY!

We have to get stuck into City. blasts Solskjaer

TIP TRAINER: Crisford

Today's the day
Maybe shines

OLE Gunnar Solskjaer is warning his players that tonight's crucial Manchester derby will be a battle.

The stakes couldn't be much higher at Old Trafford with visitors City needing a win to go back to the Premier League summit. And it's a massive game for United too as they fight for a place in the top four. That means more than ever as being in the Champions League will be crucial for the Red Devils' summer buying plans.

City have a reputation for playing slick, attractive football, but Solskjaer thinks they are also masters at the "tactical foul".

The United boss said: "We have got to be ready for the press and the quality they have got on the ball."

"When we win it we have got to be ready for their aggression because they will snap at your ankles and heels and kick you."

"They will not allow us easy counter-attacking. There will be fouls, no doubt about it."

United have a lot of questions to answer after their pathetic display in losing 4-0 to Everton at Goodison Park at the weekend.

Solskjaer managed 14 wins in 19 games as caretaker boss — but it's

By JOHN ANTHONY

now four defeats in six since he was given the permanent hotseat. Already there is grumbling that he was given the job too soon and beating City would go a long way to calming those fears.

Solskjaer himself doesn't sound too confident about turning the situation around at the club.

He said: "I would like to say yes. It's not down to me to say that but I'm confident in my team and I'm ready to take on the challenge."

"I know it's a big challenge, that's why I came in when I did." Despite giving his players an ear-bashing after the Everton cock-up, Solskjaer is trying to build up his squad again.

He added: "I like all these boys. I love them. They are great lads. I have to manage for the club. I help the players but I manage for the club. I am putting all my efforts into doing what's right for the club."

Standards

"Now is not the time to be making wholesale changes in the squad."

"We've been doing great. Only City and Liverpool have taken more points than us in the last 18 games and that's a great effort by the boys."

"We were where we were when we came in and we've given it a real go. You see lots of the Manchester United standards and DNA in many of these players."

"But we will have to get some in and some will have to go out."

Now Solskjaer is looking forward to taking on the neighbours.

He said: "It was the best game we could ask for now."

"The players are hurting. We had a meeting after the game and you can see all the players were really hurt by that performance and the City game is perfect. There is no hiding place on the pitch."

GETTING STUCK IN: Aguero defends from the front for City

WINNING POST WITH BEN MORGAN

AN interesting meeting at Epsom today with several Derby clues expected to be thrown up.

I'm a sucker for a Simon Crisford unexposed horse and I have been sucked in with MAYBE TODAY (NAP).

To be fair, Crisford hasn't let me down too often and I do think he is a top trainer. This four year old looks to be firmly on the up judging by his last performance and although he has a four pound hike to contend with I think he can go close again today.

He had some decent form last year but took that to a new level with a good victory last time on the AW and he now rates a serious proposition back to turf with Silvestre De Sousa taking the ride. He could still have a pound or two in hand.

Course form is vital here as not many horses handle the severe undulations. One horse who boats a course and distance win here is MIDNIGHT MALIBU and now that he has found his form again, should go close in an open renewal.

Charge

He still looks fairly treated on some of his old form and I would hope he can notch up another victory or two before the handicapper gets hold of him again.

MILDENBERGER is a very interesting runner off top weight the 3.55. He and Crossed Baton look a class above the rest of the field and although John Gosden's charge boasts solid course form I think the selection could have more to offer here.

Mark Johnston's charge has some rock solid which ties in with the best three year olds last year and he given how lightly raced he is I think he could be one to follow this term. If he handles the course, he must go close here.

The closing race at Epsom can go the way of the improving BALLADEER. Michael Bell's charge won a shade cosily on his reappearance and hinted there could be more to come.

Bell seems to have found him another "vinnable" race and it could prove to be a shrewd bit of placing from the Newmarket handler.

CALLUM OUT TIL CHRIMBO

CALLUM Hudson-Odoi may miss the start of NEXT season after rupturing his Achilles tendon.

The England international has had a stellar season but has come falling back down to earth with a bump after picking up the injury in Chelsea's 2-2 draw with Burnley.

The 18-year-old pulled up chasing a ball and could need an operation to fix his Achilles.

That could mean more than six months on the sidelines at least, putting his comeback at around Christmas time.

Hudson-Odoi said: "Really

By ANDY MILLOM

gutted to end my season with a ruptured Achilles. Got to work hard and try and come back stronger for next season."

Ironically, the injury could actually be a plus for Chelsea.

The Blues are struggling to keep the teen sensation at Stamford Bridge with Bayern Munich in particular sniffing around.

Hudson-Odoi is about to enter the final year of his contract, meaning he could be allowed to

talk to clubs abroad about a free transfer before he pulls on a Chelsea shirt again.

But the injury means Bayern are less likely to mount a bid this summer as they wait to see how he recovers from this setback.

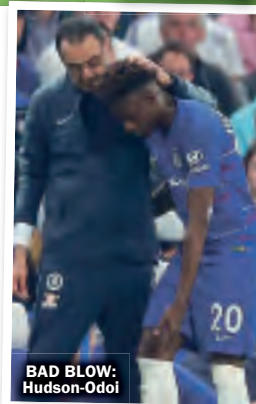

Chelsea currently have a transfer ban stopping them bringing in any new players other than Christian Pulisic who they agreed to sign from Borussia Dortmund before the ban came in.

Eden Hazard is widely expected to be on his way to

Real Madrid this summer, leaving whoever manages Chelsea with a major headache for the early part of next season while Hudson-Odoi is out.

The Blues have appealed against the two-window transfer embargo and are waiting to hear the outcome.

But if the ban is upheld and Hazard goes as most people expect him to, they may have to players like Tammy Abraham and Carly Musonda who are out on loan at present to lead their line with the likes of Pedro, Pulisic and Willian.

ROCKET OUT

AMATEUR James Cahill sensationally dumped Ronnie O'Sullivan out of the World Snooker championships in the first round.

The World No1 and five-times champ was beaten 10-8 in one of the biggest shocks in Crucible history.

O'Sullivan (right) looked as though he had the match in the bag when coming back from 8-5 down to level the game.

He then missed a good chance to get in front before Cahill stepped in to wrap up the final two frames.

The 23-year-old from Blackpool said: "I believe I can beat anyone on the day."

"I don't really know how I held my nerve. I thought I was going to fall over at one point."

"I thought I'd be nervous when I went out there but I wasn't. I was a bit tense in parts but I think I have shown quite a bit of bottle."

"It was nice to qualify and it was nice to beat Ronnie."

UNITED WE STAND!

Ole promises derby fightback

**MANCHESTER United
will fight back in the
derby.**

That's the promise of Reds boss Ole Gunnar Solskjaer who is now demanding a massive response from his players after their 4-0 defeat against Everton.

The manager says City are the "ideal team" to take on after that shameful display.

Solskjaer said:

By JOHN ANTHONY

"There's no hiding place on the pitch and the fans will back you if you give that effort against a City side that's been very, very good, we have got to turn up."

"The response has to be there, you have to try and provoke or inspire a reaction. It's about making sure heads are ready."
